# ABOUT ACCMAN

ACCMAN Business School, Greater Noida is functioning under the aegis of Balibhadra Foundation, a registered trust established in year 2003 by practicing professionals who are working dedicatedly with the mission to provide academically relevant, and industry focused quality education at affordable cost, dedicated to nurturing future business leaders. At ACCMAN, we offer a range of undergraduate and postgraduate programs in management and computer application by providing students with the true blended learning environment. Our programs are designed to equip students with the knowledge, skills, and competencies needed to succeed in today's competitive business environment.

## AFFILIATING UNIVERSITY

Our Under Graduate & Post Graduate programs are **Affiliated to Dr. A.P.J. Abdul Kalam Technical University (AKTU)** Lucknow, Uttar Pradesh, & Approved by AICTE, Ministry of Education, Govt. of India.

## MBA

The two-year full time MBA Program at ACCMAN Business School comprising of stimulating lectures, workshops, seminars, and internship opportunities. The program is designed to provide a transformative educational experience that combines theoretical understanding with practical skills.

ACCMAN offers MBA degree with variety of specialization options in Finance, Marketing, Human Resources, Information Technology, and International Business.

**Eligibility Criteria:** Candidates who have passed a minimum of 3 years of Bachelors degree or equivalent qualification with at least 50 percent marks (relaxation for SC/ST candidates of 5%) from a recognized University.

## BBA

The Bachelor of Business Administration (BBA) program is designed to stimulate students' abilities to develop entrepreneurship and leadership skills through a well-balanced mix of business and management education. This course provides a strong foundation in all major streams of management, equipping students with the practical knowledge and competence required to pursue a professional career in management.

The BBA program aims to prepare students for successful careers in the dynamic field of business and management.

**Eligibility Criteria:** Passed 10+2 examination

## BCA

The Bachelor of Computer Applications (BCA) program is designed to provide students with a comprehensive understanding of computer science and its applications. The program focuses on developing technical skills and knowledge in various areas of computing, such as software development, database management, web design, and networking.

The BCA program aims to equip students with the knowledge and skills necessary to excel in the rapidly evolving field of computer applications and information technology of 21<sup>st</sup> century like AI, ML, NLP etc.

**Eligibility Criteria:** Passed 10+2 Examination with Mathematics.
